HUNTING  
FISHING  
CANOEING

Lois Tortorelli  
1115 N. Austin Ave.  
Chicago 20, Illinois

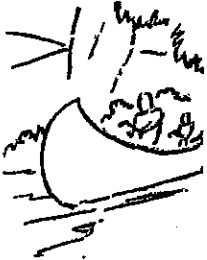

Dear Lois:

We are pleased that you are interested in working on our ranch this summer. We could hire you from the 15th of June through the 1st of September. We would like to know your general experience in working around your home kitchen or dining room, recommendations and other qualifications. Lodging is in the Main Lodge. Certain house rules must be observed so if you are not agreeable to reasonable regulations you should not apply. Clean, western sport clothes and beach towels should be included in your wardrobe.

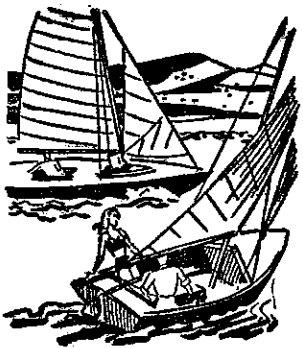

We expect our help to render pleasing and efficient service to our guests and management. Many nightly get-togethers of our guests and staff bring out talents, add to the recreational fun and enjoyment.

Positions open are general work around the dining room and cabins. Salaries are \$50 per month, room and board and whatever you make on tips. Please state your general health and physical conditions. If interested, please let us know if you have your parents consent and advice at once.

Sincerely,  
*L. Averill*  
Les Averill

Dear Lois:

It will be fine to arrive at the G. N. office in Kalispell at 6:45 p.m. on the 18th of June. We intend to meet you, but if for some reason we are delayed, would you please call the Lodge (73-611), and someone will let you know the exact time of our arrival.

Sincerely

Dear Lois,

Thank you for your letter of April 9.

For you to arrive around June 25 or 26 would be fine, and we would then expect you to stay until September 1. We do not pay transportation. The girls receive tips, and then after your work is completed, you may join in the swimming, boating and other recreational facilities we offer here.

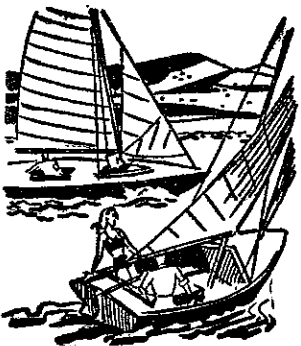

We have Catholic services each Sunday in Bigfork. As we attend, we could also see that you are able to do so.

I hope I have answered your questions satisfactorily.

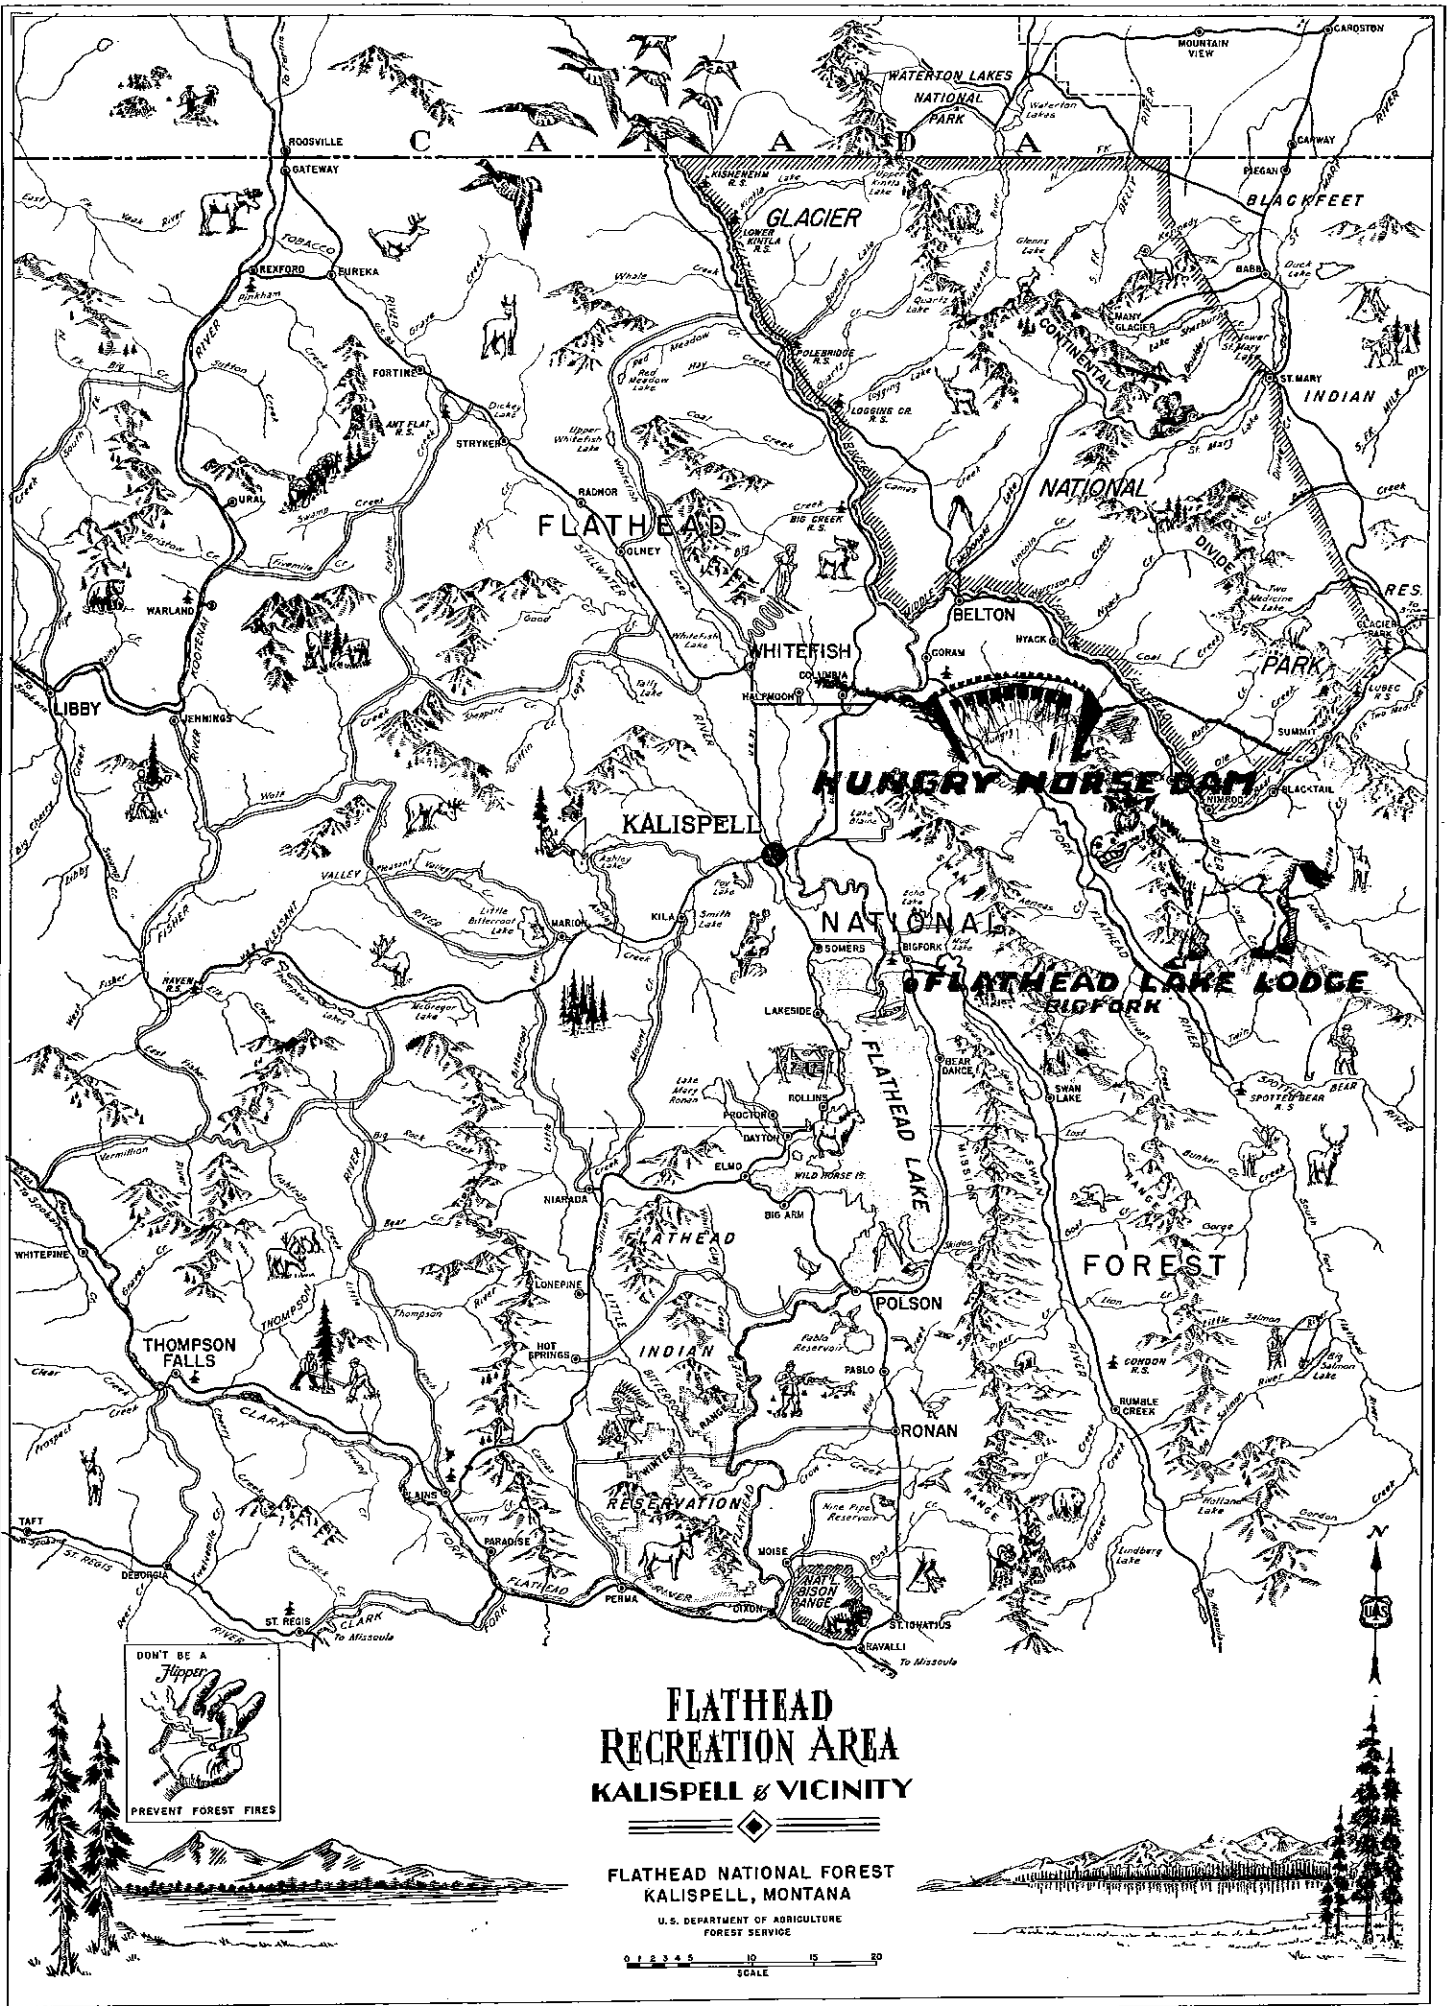

Can we expect you the later part of June? Please advise.

Sincerely

*Les Averill*
